**UA-PTC Attendance Policy**

Education at UA-PTC requires students’ active involvement in the learning process. Thus, students are expected to attend all classes and actively engage in all learning assignments and/or opportunities provided in their classes. Class attendance should be treated as mandatory by all students as attendance will be taken by all instructors during the first two weeks of class. Additionally, a written policy on student attendance that is tied to course objectives and included in a course syllabus will be provided for each course by instructors.

**Departmental Attendance Policy**

Departmental Attendance Policy follows UA-PTC Attendance Policy.

**Course Policies**

The UA-PTC Catalog rules and regulations will be enforced in this course at all times.

In an online class, eligibility for Financial Aid is based on student participation. Logging into the course does not constitute participation. For purposes of roster certification, students must complete a gradable attendance artifact.

Schedule, Assignments, and Due Dates
See the course schedule for assignments and due dates. Sign into the course several times a week to read and reply to your email and any announcements. Each time you sign try to accomplish some course work, such as reading lecture notes, participating in discussions, and/or taking exams. Complete discussions and exams a few days early to give yourself a little time to recover from computer or connection failures.

Midterm grades
Midterm grades will be computed shortly after the end of Module 3 and will be based on the results of your tests and discussions from modules 1, 2, and 3.

Discussions
Much of our understanding of history is developed by having dialog with other people. In this online course the primary means for dialog is Discussions.

Final Exam
The Final Exam is in module 8. It covers the material in module 8 and some general questions pertaining to all the material covered in the course. It is open book, open notes. Use the Final Exam Study Guide to prepare for the Final Exam.

My Expectations of you
* Read the online course content material including chapter summaries  
* Read the appropriate chapters in the textbook  
* Post responses to online discussion topics  
* Complete online tests and final exam
Computer Problems
Consideration will be given regarding the due times for assignments should the server for Blackboard at Pulaski Tech goes down for an extended period. I strongly suggest that students complete assignments as early in the week as possible to avoid the chance of a computer failure. If you have computer problems, you are responsible for finding alternative ways to complete assignments and log into the course. Computer problems on your end are not excuses for late or missing assignments. In addition, the instructor is not a likely source to consult regarding computer problems – please contact the Blackboard helpline at Pulaski Tech for answers to computer questions.

Makeup/Late Work Policy
You need to complete work on time. Assignments not submitted by the due date will receive a grade of zero. Makeup work is not accepted unless in extremely unusual circumstances, such as hospitalization or a death in the immediate family. If you believe you have such a situation contact your instructor by email to see if makeup work can be arranged. Your instructor does not grant course grades of Incomplete.

You are welcome and encouraged to complete discussions and exams, except for the final exam ahead of time. If you experience problems submitting an exam or discussion send your instructor an email explaining the situation and we will work through the problem together.

Academic Integrity

It is expected that all students who attend UA-PTC conduct themselves in a manner appropriate for the college experience. Academic integrity is a vital component of collegiate behavior. The UA-PTC catalogue states, “The gaining of knowledge and the practice of honesty go hand-in-hand.”

The catalogue also states, “The responsibility and authority of initiating discipline arising from violations of the rules against dishonesty during the process of the course are vested in the instructor of that course.”

The complete Academic Integrity Policy is in the UA-PTC code of conduct.

Accommodation Policy

Services for Students with Disabilities: UA-PTC is committed to fulfilling all federal requirements as stated in the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and the American with Disabilities Amendments Act (ADAAA) of 2008. Accommodations are available to students who have documented disabilities. Students who request accommodations must register with the Disability Services Office (Main Campus: 501-812-2738 or South Campus: 501-812-2862) and must provide current and relevant documentation.

Students requesting accommodations should inform the instructor at the beginning of the course or as soon as accommodations are approved. It is the student’s responsibility to provide their
Accommodation Letter to the instructor. Accommodations are not retroactive and will only be provided once your instructor receives the Accommodation Letter.

**Student Code of Conduct**

All students are expected to abide by the UA-PTC Student Code of Conduct. For the full Student Code of Conduct, access the most current version of the UA-PTC Academic Catalog.

No person at Pulaski Technical College will, on the basis of gender, be excluded from participation in, be denied benefits of, or be subjected to sex discrimination, sexual harassment or sexual misconduct under any education program or activity. All college administrative policies and procedures regarding sex discrimination, sexual harassment, and sexual misconduct are in compliance with Title IX. Therefore, all courses will incorporate an information literacy component so that, by graduation, all students will be able to recognize the need for information, then locate, evaluate, synthesize, and communicate information in an ethical manner. Information literacy encompasses critical thinking, research, media, technology, health, business, and visual literacy skills to produce lifelong learners who can make informed decisions in the workplace and in their personal lives.
