Course Materials

Mission Statement
University of Arkansas – Pulaski Technical College provides access to high-quality education that promotes student learning and enables individuals to develop to their fullest potential.

Institutional Learning Outcomes and General Education

UA-PTC supports a college-wide institutional learning assessment program which concerns effective instructional methods and promotes student learning achievement by assessing:
Discipline Learning Outcomes
The English discipline in the Department of Languages and Communication, consistent with the College’s mission and the objectives of the School of Fine Arts, Humanities, and Social Sciences, encourages the success of its students in all technical fields and academic disciplines by promoting the following learning outcomes:

1. Students will demonstrate the ability to analyze different contexts and audiences and then to act on that analysis in comprehending and creating texts.
2. Students will demonstrate the ability to analyze, synthesize, interpret, compose, and evaluate ideas, information, situations, and texts.
3. Students will use multiple strategies to conceptualize, develop, and finalize projects and adapt their composing processes to different contexts and occasions.
4. Students will develop knowledge of conventions, including linguistic structures such as grammar, punctuation, and spelling as well as citation and documentation, through practice in composing and revising.
5. Students will investigate significant literary and cultural developments as well as the interaction of various literary and cultural traditions and illustrate how literature reflects history, culture, and society.
6. Students will read and analyze texts and identify various techniques, genre characteristics, movements, methods, or themes.

Student Learning / Course Outcomes

ACTS #ENGL 1023

The student will:

1. Respond appropriately to various rhetorical situations, purposes, and audiences
2. Use writing and reading for inquiry, learning, thinking, and communicating
3. Integrate original ideas with those of others
4. Develop flexible strategies for generating, revising, editing, and proof-reading
5. Use collaborative writing processes
6. Demonstrate knowledge of structure, paragraphing, tone, mechanics, syntax, grammar, and documentation

The course will continue English Composition I’s focus on voice, tone and style, awareness of audience, and various writing strategies, including peer review, drafting, editing, researching, and incorporating multiple sources. Students practice methods of drafting, including how to create a thesis and how to support and develop that thesis in a focused, thorough, and stylistically appropriate essay that demonstrates awareness of audience and the conventions...
of medium and genre. The class will focus on writing strategies such as invention, arrangement, drafting, and revision, including teamwork with the instructor and/or classmates in the writing process, fluency issues such as the use of transitions, and the correction of major usage errors. The class requires students to read texts critically and to practice good scholarship through the conventions of style and documentation. Students practice integrating summary, paraphrase, and quotation into their own original compositions. Students write a minimum of fifteen pages of formal writing to be divided among at least four major compositions that address higher-order critical thinking skills (evaluation, analysis, and synthesis), including a research paper that incorporates material from quality sources.

Policies

Report a Complaint or Concern

UA-PTC takes very seriously complaints and concerns regarding the institution. Most complaints or concerns of a specific nature should be initiated and resolved at the campus level through normal college processes whenever possible. UA - Pulaski Technical College receives and resolves complaints using a variety of methods. To report a complaint or concern, please follow the link below.

UA-PTC Attendance Policy

Education at UA-PTC requires students’ active involvement in the learning process. Thus, students are expected to attend all classes and actively engage in all learning assignments and/or opportunities provided in their classes. Class attendance should be treated as mandatory by all students as attendance will be taken by all instructors during the first two weeks of class. Additionally, a written policy on student attendance that is tied to course objectives and included in a course syllabus will be provided for each course by instructors.

Departmental Attendance Policy

Agencies granting financial assistance may be notified of the violation of the attendance policy by students receiving financial aid.

Attendance is taken starting the first day of the semester, with the exception of students who enroll after classes have started. Teachers have the right to count students as absent if they arrive late to class, leave class early, or go in and out of the classroom during class time. Teachers have the right to lower a student’s grade based on excessive absences.

Any student who does not attend class within the first two weeks of class will be considered a “no show” according to the campus attendance policy and will be reported as such and dropped from the class.

Consistent attendance is critical to the successful completion of this course. Students who are absent miss important information from lectures, class discussions, handouts and assessments, and can easily fall behind on the material.

There are no “Excused” absences. No late work will be accepted unless conditions are discussed and agreed upon with instructor BEFORE the original deadline.

Course Policies

The UA-PTC Catalog rules and regulations will be enforced in this course at all times. Please consult the following website for more information: https://www.uaptc.edu/catalog
Professional behavior is required. Punctual attendance and intelligent participation are expected. Particulars as determined by the instructor are detailed in the paragraph below.

Appropriate behavior is expected for all communications, including any notes, email messages, or telephone conversations. Some guidelines for communication are included in this syllabus to help you.

Appropriate behavior is expected for all communications, including any notes, email messages, or telephone conversations.

- Please silence your phones and put them away.
- Drink and food are fine.
- Do not be loud. Respect your classmates, your instructor, and yourself.
- No children are allowed in the classroom. It’s school policy.
- Email communication must be through your UAPTC email account and not Blackboard or any external email provider. I won’t even respond (it will likely go directly to SPAM, so I won’t even see it).

My BIG Problem with Late Work and Being Late

- Always behind
- If you find yourself in a hole, stop digging. Ya dig?
- 10% Late-Work-Penalty Rule (per class period)
- IF you are thirty minutes (or more late) without emailing me ahead of time, you will receive half of that days allotted attendance/on-class participation points

Cool, Man

- Respecting your classmates, the class, yourself, and me
- Stepping out to text, take/make a call, use the restroom, scream in the stairway, cry, laugh maniacally, etc.
- Quiet Food/ Quiet Eating
- CHECKING your email and Blackboard DAILY (Spam box too) – Not in class!

Not Cool, Man: Or how to drive a reasonable-caring-kind-hairy-instructor grumpy

- These are not about YOU – They are about respecting your classmates, the class, yourself, your education, and me – these behaviors distract you but more importantly, me and your classmates.
- Phones/Laptops/Desktops/Mouse Clicks
- Talking when a classmate has the floor or I’m talking
- Prepping to leave before we are done (no zippers zipping)
- No standing up to leave before we’re done

Please don’t ask me before or after class what you missed – I can’t distill 1:15 minutes into a couple of sentences. REMEMBER: If you miss class, it is YOUR responsibility to contact me or a classmate ahead of the next class for what you missed.

Grading Policy

Letter grades will be based on the following scale:

| 90 to 100% | A |
| 80 to 89%  | B |
| 70 to 79%  | C |

* Instructors have one week to provide feedback and post grades for all assignments unless otherwise noted by a departmental policy that has been approved by the Dean of the School.
** English faculty have two weeks to provide feedback and post grades for papers 1000 words or more.

In an online class, eligibility for Financial Aid is based on student participation. Logging into the course does not constitute participation. For purposes of roster certification, students must complete a gradable attendance artifact.

Academic Integrity

It is expected that all students who attend UA-PTC conduct themselves in a manner appropriate for the college experience. Academic integrity is a vital component of collegiate behavior. The UA-PTC catalog states, “The gaining of knowledge and the practice of honesty go hand-in-hand.”

The catalog also states, “The responsibility and authority of initiating discipline arising from violations of the rules against dishonesty during the process of the course are vested in the instructor of that course.”

The complete Academic Integrity Policy is in the UA-PTC code of conduct.

Plagiarism (Just Don’t Do it!)

It is expected that all writing that you submit in a class is your own original work, and that any sources of information that you consult are fully cited and properly integrated into your writing.

Regardless of intent, any paper that contains any form of plagiarism will earn a 0% for the assignment. Most plagiarism is accidental and results from mishandling of research or inadequate citations. Examples of accidental plagiarism include:

- word-for-word copying from any source without the use of quotation marks;
- failure to completely cite all quoted, summarized, or paraphrased material from a presented source;
- improper paraphrasing (i.e., paraphrased information that retains the grammatical structure and/or vocabulary of the original source).

In the case that any student plagiarizes information with the intent of cheating on a writing assignment, the instructor may choose a more severe penalty at their discretion. Examples of blatant plagiarism include:

- submitting any amount of material from the Internet or another outside source as if it is the student’s original composition;
- copying material from a source with no attempt at using quotation marks and/or citation of the source;
- paraphrasing material from a source with no attempt at documentation of the source;
- reuse of material from previous classes without the instructor’s express permission;
- simultaneously using material from another class without the permission of both instructors involved;
- buying papers;
- letting others write part or all of a paper; and
• all other instances in which the student attempts to circumvent creating an original composition for that 
assignment and/or attempts to deceive the audience about the sources used when composing the 
assignment.

You should review the information about plagiarism in textbooks and the Academic Integrity Policy in the UA-PTC 
Student Handbook, as it is your responsibility to demonstrate good scholarship in your writing.

If a student is found to have plagiarized intentionally, that student will be awarded a zero for the assignment and the 
course immediately. If the student is found to have plagiarized unintentionally, the student will earn a zero until the 
student and instructor have met and undergone plagiarism rehabilitation. After completion of that program, which 
could take from one hour to two weeks, the student will be allowed to turn in the assignment again and attempt to 
earn a grade to replace the zero. The student is expected to do this and stay current in the class and its assignments.

Accommodation Policy

Services for Students with Disabilities: UA-PTC is committed to fulfilling all federal requirements as stated in the 
Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and the American with Disabilities 
Amendments Act (ADAAA) of 2008. Accommodations are available to students who have documented disabilities. 
Students who request accommodations must register with the Disability Services Office (Main Campus: 501-812- 
2738 or South Campus: 501-812-2862) and must provide current and relevant documentation.

Students requesting accommodations should inform the instructor at the beginning of the course or as soon as 
accommodations are approved. It is the student's responsibility to provide their Accommodation Letter to the 
instructor. Accommodations are not retroactive and will only be provided once your instructor receives the 
Accommodation Letter.

Student Code of Conduct

All students are expected to abide by the UA-PTC Student Code of Conduct. For the full Student Code of Conduct, 
access the most current version of the UA-PTC Academic Catalog.

catalog.pdf?sfvrsn=a08a3038_2

Sexual Misconduct

No person at UA-Pulaski Technical College will, on the basis of gender, be excluded from participation in, be 
denied benefits of, or be subjected to sex discrimination, sexual harassment or sexual misconduct under any 
education program or activity. All college administrative policies and procedures regarding sex discrimination, 
sexual harassment, and sexual misconduct are in compliance with Title IX. Students who feel they are victims of 
sexual misconduct should contact the UA-PTC Title IX Deputy Coordinator for Students:

Michelle Anderson, Director of Student Life and Leadership 
Campus Center Building Room 216 
501-812-2756 
manderson@uaptc.edu

Course Evaluations

Students may be asked to evaluate their instructor and course near the end of the semester. These student evaluations 
are very important to the improvement in the quality of instruction and course materials. All results are anonymous 
and shared with the faculty only after the semester is over and grades have been posted.

**Information Literacy**

UA-PTC is committed to the Information Literacy Competency Standards for Higher Education as established by the Association of College and Research Libraries and endorsed by the National Forum on Information Literacy. Therefore, all courses will incorporate an information literacy component so that, by graduation, all students will be able to recognize the need for information, then locate, evaluate, synthesize, and communicate information in an ethical manner. Information literacy encompasses critical thinking, research, media, technology, health, business, and visual literacy skills to produce lifelong learners who can make informed decisions in the workplace and in their personal lives.
