UA-PTC takes very seriously complaints and concerns regarding the institution. UA-PTC Attendance Policy

Education at UA-PTC requires students' active involvement in the learning process. Thus, students are expected to attend all classes and actively engage in all learning assignments and/or opportunities provided in their classes. Class attendance should be treated as mandatory by all students as attendance will be taken by all instructors during the first two weeks of class. Additionally, a written policy on student attendance that is tied to course objectives and included in a course syllabus will be provided for each course by instructors.

Departmental Attendance Policy

- Attendance is mandatory.
- Students may miss up to four days of class. Exceptions may be made at the discretion of the instructor on a case-by-case basis.
- Students will not be allowed to make-up in-class work such as quizzes, in-class activities, and simulations. Therefore, it is imperative that students come to class and be on time.
- Three tardies equate to one absence.

Course Policies

The UA-PTC Catalog rules and regulations will be enforced in this course at all times. Please consult the following website for more information: https://www.uaptc.edu/catalog

Professional behavior is required. Punctual attendance and intelligent participation are expected. Particulars as determined by the instructor are detailed in the paragraph below.

Appropriate behavior is expected for all communications, including any notes, email messages, or telephone conversations. Some guidelines for communication are included in this syllabus to help you.
Expectations: Students are expected to be active participants in the class by engaging in class discussions and activities. In this course, we will discuss things that make you downright uncomfortable. We will talk about things that you have been taught to avoid discussing in polite company. That’s a good thing! Learning is about getting out of your comfort zone. However, you are expected to be respectful to your instructor and classmates at all times. Your fellow students are going to disagree with you about things that you hold dear to you heart. You can always disagree but make sure you do it respectfully and you will have a great time in this class.

Cell phones should be on silent during class. Furthermore, it is disrespectful in the extreme for you to check your phone during class. If you have a legitimate need to access your phone or other communication device during class time, please clear it with me first. Otherwise, you will secure your phone some place where you cannot access it until class is adjourned. Any violation of this policy will result in you writing me a paper that will be due the next class which will counted against your final grade in the course.

Communication policy:

Pretty much the only way to contact me outside class is through email. If you want to receive a reply, please make sure to 1) put an informative subject in the subject line, 2) address the email to me at my email address above and 3) close with your name, phone number and which Section you are in. Please feel free to write me with any questions you may have. Unfortunately as of this writing I am not well versed in Blackboard as I am new to UAPTC. I hopefully will learn how to use it as the semester goes on.

Furthermore, I am generally available to meet with you after my 1:30 class on Tuesdays and Thursdays but I can make arrangements to meet you on campus at other times as my schedule permits if you wish to visit in person.

Grading Policy

Letter grades will be based on the following scale:

- 90 to 100%   A
- 80 to 89%     B
- 70 to 79%     C
- 60 to 69%     D
- 0 to 59%      F

This course will cover most of the textbook (depending upon time limitations). You will be required to read the text. There may be pop quizzes based on the readings, lectures, and current events. You will be responsible for obtaining notes of missed class material.

Academic Integrity

It is expected that all students who attend UA-PTC conduct themselves in a manner appropriate for the college experience. Academic integrity is a vital component of collegiate behavior. The UA-PTC catalog states, “The gaining of knowledge and the practice of honesty go hand-in-hand.”

The catalog also states, “The responsibility and authority of initiating discipline arising from violations of the rules against dishonesty during the process of the course are vested in the instructor of that course.”

The complete Academic Integrity Policy is in the UA-PTC code of conduct.

"It is important for all scholars to acknowledge clearly when they have relied upon or incorporated the work of others. ... It is expected that all homework assignments, projects, lab reports, papers, theses, and examinations and any other work submitted for academic credit will be the student’s own. Students should always take great care to distinguish their own ideas and knowledge from information derived from sources. The term ‘sources’ includes not only primary and secondary material published in print or online, but also information and opinions gained directly from other people. Quotations must be placed properly within quotation marks and must be cited fully. In addition, all paraphrased material must be acknowledged completely. Whenever ideas or facts are derived from a student’s reading and research or from a student’s own writings, the sources must be indicated.”

- If you have plagiarized you will not be given credit for the assignment. If you plagiarize more than once you will be reported to the Dean of Students.
- If you aren’t sure if you’ve plagiarized, please send me a copy of your writing assignment in advance of the due date and I will look it over with you and we can fix any issues that arise before you turn in the paper or assignment.
- Once you’ve turned the paper into me, it will be checked for plagiarism using Safe Assign.

Accommodation Policy

Services for Students with Disabilities: UA-PTC is committed to fulfilling all federal requirements as stated in the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and the American with Disabilities Amendments Act (ADAAA) of 2008. Students requesting accommodations should inform the instructor at the beginning of the course or as soon as accommodations are approved. It is the student's responsibility to provide their Accommodation Letter to the instructor. Accommodations are not retroactive and will only be provided once your instructor receives the Accommodation Letter.
