UA-PTC Attendance Policy

Education at UA-PTC requires students’ active involvement in the learning process. Thus, students are expected to attend all classes and actively engage in all learning assignments and/or opportunities provided in their classes. Class attendance should be treated as mandatory by all students as attendance will be taken by all instructors during the first two weeks of class. Additionally, a written policy on student attendance that is tied to course objectives and included in a course syllabus will be provided for each course by instructors.

Departmental Attendance Policy

Course Policies

The UA-PTC Catalog rules and regulations will be enforced in this course at all times.

Please consult the following website for more information:
Professional behavior is required. Punctual attendance and intelligent participation are expected. Particulars as determined by the instructor are detailed in the paragraph below.

Appropriate behavior is expected for all communications, including any notes, email messages, or telephone conversations. Some guidelines for communication are included in this syllabus to help you.

A. Unacceptable Behavior in the Classroom: Because of the nature of this course, we will be discussing some controversial issues in class. Please remember that other students may be experiencing the particular disorder we’re discussing that day or may be offended by something you say in class. I love discussion and think students often learn more from discussion than lecture, but please be respectful of others in class. Students using vulgar or inappropriate language will be asked to leave the classroom.

B. Cell Phones: Students caught using a phone in the classroom (for phone calls or texting) will be given a verbal warning the first time. After that, the instructor reserves the right to ask the student to leave the classroom for that class period.

Grading Policy

Letter grades will be based on the following scale:

- 90 to 100% A
- 80 to 89% B
- 70 to 79% C
- 60 to 69% D
- 0 to 59% F

Exams will be timed with the limit set at one hour and 15 minutes and will automatically submit when the time expires. Please be sure that you have a good internet connection and a low distraction setting before beginning the exam as you will not be able to pause the exam once you begin. A professional or medical document will be required to make up any missed exams. There will also be a comprehensive final exam worth 100 points. We will have a review week before the final to help with your studies.

There will be 10 homework or in-class assignments. Each of these assignments will be worth 10 points, for a total of 100 homework points. Some of these assignments will be completed in class and some will be take-home assignments. The in-class assignments will often be completed in groups. It is each student’s responsibility to find out if they’ve missed an assignment when absent from class.
